DOMESTIC NEWS.

Five Year Old Murder Mystery Cleared Up.

A RAGING STORM IN THE SIERRAS.

A Fatal Train Wrecking at Vincennes, Indiana—Other Interesting Mat- ters of News.

WEATHER FOR TO-MORROW.
SAN FRANCISCO, Cal., Feb. 25.—From government signal service indications, fair weather, followed in western portion by rain is predicted for Oregon and Washington, until to-morrow morning.

PART OF CREW SAVED.
NEW YORK, Feb. 25.—The steamer Morengo arrived at this port to-day with eight of the crew of the British bark Meteor, which was abandoned at sea during a heavy gale on Feb. 10th. The mate and two seamen were drowned.

A MYSTERY CLEARED.
ROCHESTER, N. Y., Feb. 25.—The police here have been surprised by the confession of two men, named Swartz and Weighman, arrested on minor charges, that in 1885 they murdered Emory G. Thayer, a wealthy farmer, the circumstances of whose death had hitherto always remained a mystery.

JOHN JACOB ASTOR BURIED.
NEW YORK, Feb. 25.—Funeral services over the remains of John Jacob Astor to-day in Trinity chapel were of the most unostentatious character. The little church was crowded with friends of the deceased, and the sidewalks on either side of the edifice were thronged with people. Following were the pall bearers: Geo. L. Schuyler, A. G. King, Col. E. H. Wright, Sidney Webster, John Jay, Richard King, C. F. Southmayd and J. L. Cadwalader. Services were led by Rev. Morgan Dix, who read the Episcopal ritual. Interment took place in Trinity cemetery.

A GALE IN THE SIERRAS.
SAN FRANCISCO, Cal., Feb. 25.—At this hour, 11 a. m., the wind is blowing a gale in the Sierras. It is snowing at some points lightly, but cloudy and threatening at all points along the line from Colfax to Reno. The cold dry snow is drifting, but the plows are keeping the track clear so far. Freight trains are cautioned.

VANCOUVER COURT HOUSE.
VANCOUVER, Wn., Feb. 25.—The county court house, partly built of stone and partly of brick, was totally destroyed by fire early this morning. The prisoners were confined in jail in basement of building, three of whom were carried out half suffocated. The building cost \$55,000 and was insured for only \$25,000. Loss to county is at least a hundred thousand dollars.

TRAIN WRECKED.
EVANSVILLE, Ind., Feb. 25.—The fast passenger train that left here last night for Chicago was wrecked above Vincennes, by washing out of a culvert. The whole train excepting sleeper went into the ditch. Passengers were badly shaken up and quite a number were injured. Engineer Albert Lyon and Fireman Chas. Boden were missed and are supposed to be under the engine. It is reported that nine people were killed but report cannot be verified. The injured are at Vincennes cared for by physicians.

APPOINTMENTS.
WASHINGTON, D. C., Feb. 25.—The president made the following appointments to-day: Harold M. Sewal, of Maine, consul general at Apia; Henry W. Andrews, of Ohio, consul at Hankow; John Fowler, Mass., consul at Ningbo; Wm. B. McCree, of Mich., consul at Valparaiso.

FROM BAKER CITY.
Baker City, Or., Feb. 25.—The Home Building and Loan company has commenced business in this city. Capital stock one hundred thousand dollars. Several lines of street railway are to be constructed this summer. A foundry, woolen mills, electric lights and other improvements are under way.

Hon. Jeff Meyers, of Seio, arrived in the city yesterday evening from Portland. He is looking after real estate. Gattoville and all leading brands of cigars at the Candy Kitchen, 313 Commercial St.

FILINGS AND APPOINTMENTS.

Articles of incorporation were filed in the secretary of state's office by the Portland and Yaquina Bay Land company, with Frank Motter, F. W. Rayburn and D. T. Dryden incorporators; principal office, Portland; capital stock \$100,000, in shares of \$100 each. W. H. Edwards, Portland; T. B. Wells, Pendleton; K. Osborn, Astoria, were appointed notaries public, and Louis Fournquet Henderson, resident at Olympia, Wash., was appointed commissioner of deeds for Oregon.

GRAND CARNIVAL.—At a near future date the youth and beauty of Salem will give a grand dress carnival at the opera house. It will be one of the most elaborate affairs ever conducted in the city and all in attendance are expected to be in full dress. It is not the intention to wear masks but the ladies will fashion their attire either after the Gypsy or plantation style.

TO BE HAULED UP.—The county court and city mayor to-day authorized Contractor McCoy to take apart the spans of the Salem bridge, now lying on Kaiser's bottom, and haul the material to the bridge site at this city. This is practically the first step toward reconstructing the old bridge, and that is probably what will be done.

PHOTOGRAPHS.—Cutterlin, the photographer, is producing some splendid work at present. His artistic designs are considered the finest ever taken on the coast. Nothing but first-class work allowed to leave the gallery.

GOING OFF LIKE HOT CAKES.—Those fine lots in Vanduy's addition east of the state house are going off rapidly. If you want one you had better step into Moore and Gillespie's office and plunk down your money for it, for they will all be gone before the end of the week. They are the very best on the market. Good sewerage and on the Electric street railway. Don't delay or you will lose a grand opportunity to make a speculation in Salem real estate.

PLEASANT GATHERING.—There was a most pleasant and social surprise gathering at the home of James Rennie, on Church street, last evening. A number of friends gathered at the residence and Mr. Rennie, who works at the flouring mill was sent for. When he arrived home the surprise was complete and all were pleasantly entertained. Those present were: Mr. and Mrs. James Rennie, Sr., Mr. and Mrs. James Rennie, Jr., Mr. and Mrs. Wm. Rennie, Mr. and Mrs. W. H. Lee, Mr. and Mrs. L. P. Lindgren, Mrs. O. D. Rennie, of Independence, Miss Nellie Price, Miss Alice Blanton, of Brooks, Messrs. Otto and Herman Sheldub, Messrs. John, Alex and Frank Rennie.

BRAIN AFFECTED.—This morning Sheriff Croisan arrived from Woodburn, having in charge a man named David Hutchinson, whose mind had become affected from an ulcerous sore which is located over the left eye. The unfortunate victim is a son of Mrs. L. M. Hutchinson and resides about two miles east of Hubbard. He was married several years ago and soon after obtained a divorce from his wife. About five years ago a small ulcer appeared over his left eye and has grown until his mind has become somewhat deranged. Last evening he obtained a shotgun and threatened to murder the entire family and set fire to the house. Sheriff Croisan appeared on the scene this morning and arrested the man and has placed him in the county jail.

W. R. Gilbert, the rustling stock buyer, received a decidedly cold bath this morning while attempting to ride through a deep hole in the creek running through Cross's slaughter house grounds. Horse and rider almost went out of sight at the first plunge, but as soon as the animal discovered the depth of the water he swam out all right.

DISCUSSING the supreme judgeship the Baker City Reville says: Give us a lawyer in the true sense of the term; one who will be voted for on account of his legal ability, honesty, integrity, and a man who is and will be above party and all else on the bench save the equities and rights of the matters and persons being consulted before him in open court, and we'll elect him. The material is in the party and the convention will present it.

OTTAWA, Can., Feb. 25.—Sir John Macdonald made a very important announcement in the house last night, in answer to a member who asked whether it was the intention of the government to appoint a Canadian commission, to take part in the negotiations for settlement of fisheries dispute now going on at Washington, U. S. The prime minister announced that no formal commission had issued but that the Minister of Marine had left in the afternoon for Washington to represent Canada and keep watch of her interests in the pending negotiations. Later on it was learned that Sir Julian Pauncefote had telegraphed to Ottawa, stating that negotiations had reached a stage where it was desirable to have the presence of a Canadian representative. The government accordingly acceded Hon. C. H. Tupper.

ANARCHISTS IN CHARGE.
HAVANA, Cuba, Feb. 25.—The Island of Cuba is overrun by desperate outlaws and a reign of terror prevails. A partially successful attempt was made to blow up a large cigar factory last night, a dynamite bomb being exploded close to the wall of the main building. Many adjacent houses were badly wrecked, but the factory was not seriously damaged. There was a tremendous explosion this morning in the railway station here. Powder was used and the station was entirely destroyed. The immense building was thronged with employees and passengers, 50 of whom were injured and taken from the ruins. Some may die. Others are reported missing. Bandits hold a number of rich cubans for ransoms.

There are also two directors to be chosen in place of John G. Wright and Geo. P. Litchfield, but no candidates have as yet been announced. Mr. Simpson is well known to the voters of the district and needs no introduction.

ALMOST AN ACCIDENT.—This morning about 7:30, as a farmer was entering the city on Commercial street from the north, with a large load of cord wood he attempted to cross the street car track, near Division street, and in doing so one of the horses slipped and fell, injuring itself considerably and almost overturned the wagon.

Tormented with Salt Rheum— Cured by Hood's Sarsaparilla.

Only those who have suffered from salt rheum in its worst form know the agonies caused by this disease. Hood's Sarsaparilla has had great success in curing salt rheum, and all affections of the blood.

"I love the gratitude to Hood's Sarsaparilla that one would to his rescuer from a burning building. My face, about the eyes, would be swollen and scabbed, my hands and a part of my body would be raw sores for weeks at a time, my flesh would seem so rotted that I could roll pieces from between my fingers as large as a pea. One physician called it type Poison and gave me medicine accordingly, but salt rheum cannot be cured in that way. Finally I bought a bottle of Hood's Sarsaparilla. It helped me so much that I took two more bottles, and was Entirely Cured. I have not been troubled with salt rheum since. I also used Hood's Olive Ointment on the places affected. It stops the burning and itching sensation immediately. I will recommend Hood's Sarsaparilla not only for salt rheum, but for all that Loss of Appetite 'all-gone' feeling so often experienced."

A. D. ROBINSON, Jamaica Plain, Mass.
N.B. If you decide to take Hood's Sarsaparilla, do not be induced to buy any other.
